“A definitive history of bird conservation in America.” -*Kirkus Reviews*

Wednesday, March 18

4:00 pm

Jeff Davis County Library

100 Memorial Square | Fort Davis, TX

How heroes, martyrs, villains, and conflicted do-gooders came together to save hundreds of bird species from the brink of extinction.

James McCommons is an emeritus professor at Northern Michigan University in Marquette, Michigan where he taught journalism and nature writing for 20 years.

Sponsored by the Friends of Jeff Davis County Library
